Dear Max:  
Thanks for sending advance ad, really appreciate it. Should use several ideas to add off, but will wait to see if you sell them. Volney of great interest except 1891 \$20 and 1869 Eagle but price prohibitive.

Stan Kesselman

New York, N. Y. 10024

Dear Stan:

I would like to take this opportunity to thank you for being such a gracious host during my stay in New York.

It was a pleasure to see you and I feel somewhat guilty in that we did not spend enough time together on an individual basis.

As a result of our trading of coins in New York in which I took the 1927-S for \$800 and you took the 1892 for \$650 we are crediting your account in the amount of \$150 toward other purchases that have resulted during recent days. We are also crediting your account in the amount of \$275 for the 1852-O.

The 1891-CC EF 20 has been sold as well as the 1866 EF Eagle. I would like to point out that the 1866 EF Eagle that you saw advertised for \$195 is the same one which I showed you during our visit with Milton Kaufman. It certainly did not measure in quality anywhere near the coin I sold you for \$250. Actually, it was a very very weak EF coin. I did sell this after showing it to you and Milton Kaufman to another client in New York. Therefore, it is no longer available.

I am forwarding to you under separate cover the 1908-S VF and EF as well as the 1909/8.

I would be interested in purchasing several of the 1912 EF \$20 gold at \$85 if they are exceptionally nice coins with mint luster.

I plan to call you on the telephone the first part of next week and discuss other purchases.

Yours truly,

  
Max J. Humbert

Dear Stan:

Thank you for your notes. I am going to be in Europe for about the next 5 weeks - so for any gold coins in the interim, please contact Max Humbert. Max will be away from September 12th through 16th, but other than that time you should be able to get ahold of him.

I looked over the two lots that arrived and picked, I believe (from memory), \$520.00 worth and remitted you a check for the difference.

Sincerely yours,

Dear Stan:

Thank you for your two recent notes. I would like to advise that I am leaving for Panama on September 12th and will be there at least a week.

I am certainly hopeful to see you on my first trip to New York. I would like to work some arrangement whereby we would have a working agreement on some of the clients in New York where it would be mutually beneficial.

I have not been in contact with my doctor client and therefore it could be quite possible. I have made arrangements for Jim Ruddy and Jim Kelly to handle your letter concerning the \$20 gold pieces and the gold coming in.

Yours truly,

Enclosed herewith is our check in the amount of \$275 for the purchase of the 1854 \$3 gold piece, which you recently sent to us. The other \$3 gold pieces are being returned to you herewith.

With reference to the other coins which you offer in your letter, either Max or Dave should be writing to you in the very near future regarding our requirements. We appreciate the consideration you have once again given our firm.

Dear Mr. Kesselman:

Jim Ruddy has requested that I drop you a note in reply to your letter of June 4, regarding a quantity of U.S. Gold which you are interested in selling.

Inasmuch as our fiscal year-end is approaching (June 30) and will consequently involve a complete inventory of our stock, we would prefer not to add any sizeable quantity of coins to our inventory until after this time. However, any time after July 4, please feel free to send in any coins which you wish to sell. Also, since we are already involved in inventory taking, we will have a greater opportunity after July 4 to devote the time necessary in purchasing numerous coins.

Once again, thank you for your consideration.

Sincerely yours,

Dear Stan:

We received both the 1859 Double Eagles. Your counter offer of \$150.00 is being accepted, and the 1859 \$20 is being returned to you under separate cover.

The package of gold shipped to Jim Ruddy for his offer was returned to you yesterday (July 24) under separate cover. We are certainly sorry that you were kept waiting on this; however, we still seem to be quite engrossed in the fiscal year-end tasks. It is hoped that things will get back to normal in a couple more weeks.

Of immediate interest in common date gold are BU Indian \$5's and \$10's. If you carry any stock of these, I would appreciate receiving a quote. We are still in the market for a BU common \$3, a BU Type II \$1, as well as the following: 1892-CC \$5, 1892-CC \$10, 1903 \$10, 1907-D \$10, all in EF to AU condition; as well as the following BU pieces — 1908, no motto, \$10, 1874-S \$20, and 1895 \$20. If you can help me out on any of these, please ship.

Thanks again for your courtesy.

Best regards,

Dear Stan,

Thank you for your recent letter.

I will submit your list of coins to my client and if there is any interest, I will contact you and maybe we can work something out.

I have not received the lot from Europe as yet. It has been delayed in Washington. There isn't anything really exciting in the lot however, I will let you know as soon as it has been received.

Yours truly,

Dear Stan,

I have someone interested in a proof 1895 dollar. If you still have yours, why don't you quote me a price. This man is very conscious on price. Do not send the coin until I quote on it.

My best wishes.

Dear Stan,

If the 1878 5¢ proof is nice, send it along and we will take a look at it. Possibly, we would take it on trade.

In reference to the 1795 \$5 piece. I changed my cost to adjust at the time I make trades. If I recall, when we made the second deal, it was a package in which I had to calculate my cost at that time.

In any event, I am sure we can work something out the next time we get together. I will give you a special deal to cover the \$50.

My best wishes.
